Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Please do not remove this product
from the market. I have been to countless
doctors who wanted me to have in my system
several medications, which kept me from achieving
my daily work load. My compound medication
alleviates symptoms that were previously debilitating
such as depression, sleeplessness and anxiety.
Please, I beg you, do not remove my compound medication
from the market
